

**Curriculum Vitae -Margaret Anne Defeyter BSc PhD CPsychol FHEA FBPsS
FRSA**

Associate Pro Vice-Chancellor Strategic Planning & Engagement,
Director of Healthy Living
Director of Business and Employer Engagement Faculty of Health & Life Sciences
Northumbria University

Date of birth: 20th September 1962

Work address:

Department of Psychology
Faculty of Health and Life Sciences
Northumberland Building
Northumbria University
Newcastle-upon-Tyne
NE1 8ST

Home address:

53 Beaumont Manor
Chase Farm Drive
Blyth
Northumberland
NE24 4LP

Education:

Postgraduate Certificate in Higher Education at Northumbria University, July 2004.

Ph.D. in Psychology, at the University of Essex, April 2003. Title of the thesis: 'Developing an understanding of design: evidence from functional fixedness tasks and functional fluency tasks' (Economic Social Research Council Funded).

BSc Honours Degree (1st class) in Psychology at the University of Essex, June 1999.

Fellowships:

2015	Fellow of The British Psychological Society
2014	Fellow of The Royal Society of Arts
2007	Fellow of The Higher Education Academy

Peer-reviewed Journal Articles:

**Curriculum Vitae -Margaret Anne Defeyter BSc PhD CPsychol FHEA FBPsS
FRSA**

Associate Pro Vice-Chancellor Strategic Planning & Engagement,
Director of Healthy Living
Director of Business and Employer Engagement Faculty of Health & Life Sciences
Northumbria University

2013-2016 Department of Psychology Research Group
2004-2012 Chair of the School Ethics for Developmental Psychology
2004-2007 Chair of Undergraduate Ethics within the Psychology Department
2004-2008 Committee member of the Steering Group on Teaching and Assessment within the School of Psychology and Sport Sciences
2006-2008 Committee member of the Student Affairs Committee within the School of Psychology

PhD supervision:

- E. Mann “Holiday Hunger: A mixed-methods research evaluation framework”. Due to submit 2018.
- J. Woods “An evaluation of the provision of holiday clubs and after school clubs for 2-18 year olds in terms of health, social, economic and educational outcomes”. Due to submit 2018.
- Nicola Mcculloch “An evaluation of the physical activity, cognition, health and well-being”. Due to submit 2018.
- S. Foster “Attachment theory in clinical and social welfare practice: How do practitioners use attachment theory and research to inform their reasoning, and does this relate to their own attachment representations”? Due to submit July 2020 (part-time).
- J. Wilkinson “A realistic evaluation of the relationship between the type and nature of environmental health practice across local authorities in North East England and the impact of interventions on outcome as defined by the public health outcomes framework. Due to submit 2020 (part-time).
- L. Harvey-Golding “A longitudinal study of the impact of a free school breakfast programme on social, cultural, health and educational outcomes” (in collaboration with PH Blackpool). Submitted.
- P. Graham “The impact of school breakfast club attendance on children's social relationships and behavior”. (Principal supervisor). Awarded July 2015
- S. Stewart “Children’s understanding of property ownership”. (Principal supervisor). Awarded 2014.
- J. Ingwersen “The effect of diet on children’s cognition”. (Principal supervisor). Awarded 2011.
- C. Kenny “Trust and disclosure within computer mediated communication”. Awarded 2010.

Evidence of Student Development and Support:

Pamela Graham awarded a Vice Chancellor’s Research Fellowship (August 2016).

Defeyter, M.A. (2015, 2016). Nominated to TES Awards for the ‘Best Research Supervisor Award’.

Sarah Malcom (PhD student), winner of the best undergraduate student, best final year student and best project mark (2010). Completed PhD and now Head of a psychology department at a secondary school.

Rachel Stabler, winner of the best undergraduate student (2011). Presented a research paper at the British Psychological Society Conference (2011) and currently studying for a Clinical Doctorate at the Institute of Psychiatry, London.

Curriculum Vitae -Margaret Anne Defeyter BSc PhD CPsychol FHEA FBPsS FRSA

**Associate Pro Vice-Chancellor Strategic Planning & Engagement,
Director of Healthy Living
Director of Business and Employer Engagement Faculty of Health & Life Sciences
Northumbria University**

Kathryn Telfer, winner of an undergraduate student bursary (2009). Presented research papers at the Society of Research in Child Development (2009) and the British Psychological Society Conference (2009). Currently studying a PhD at Durham University.

Joanne Underwood, winner of an undergraduate bursary (2010). Project published in MMU Psychology Journal (Dissertations) UK. Joanne presented a research paper at the British Psychological Society Conference (2008) and is currently studying for a PhD at Newcastle University.

Pamela. L. Graham winner of the undergraduate project prize (2005). Currently studying under my supervision for PhD (externally funded) at Northumbria University

Jeanet Ingwersen, Highly Commended in the National Brain Science Writing Award (2005). Co-authored a number of papers and currently employed as a senior lecturer at Teesside University.

Media:

My work has received national and international media coverage, further demonstrating the value and maximising the impact of my research and enterprise activity. Having appeared on radio and television, my expert opinion has been sought to inform public, social, political, and economic debates. I have appeared on a range of national and regional television programmes including BBC News 24, BBC Breakfast, TV5 (France), BBC North East, North-West Tonight, Tyne Tees regional news programme and also interviewed on regional and national radio e.g. BBC Radio 4, The Mike Parr Breakfast Show, Real Radio, Sun FM.

My work is also covered in a wide range of printed, online and digital media including Scientific American, The Guardian, The Times Educational Supplement, Dietetics Today, Children's and Young People's Daily Bulletin, PIR Education (Issue 36), Eating Well magazine.

Professional Memberships:

2014-	Founding Committee Member of 'The UK-based international community of practice on school feeding. Chaired by Prof. Don Bundy (World Bank)
2013-	Committee Member of the School Food All Parliamentary Project Group, Westminster
2011-2012	Conference Advisor for the BPS Developmental Psychology Section
2009-	Co-founder of the Northumbria Newcastle Developmental Psychology Initiative
2009-	Associate Fellow of the British Psychological Society
2009-2012	Committee Member for the BPS Psychology in Education Section
2008-2011	Senior Advisor for the Westminster Health and Education Forum
2007-	Member of the Northern League Developmental Consortium
2005-	Member of the American Psychological Society (APS),
2005-	Member of the National Steering Group for Breakfast Clubs Plus
2005-	Fellow Higher Education Academy
2003-	Member of International Society on Infant Studies
2003-	Member of the Society for Research in Child Development

Editorial:

2014-present	Guest Editor of Frontiers Public Health
2011-2013	Associate Editor of the British Journal of Psychology

External Examining:

**Curriculum Vitae -Margaret Anne Defeyter BSc PhD CPsychol FHEA FBPsS
FRSA**

Associate Pro Vice-Chancellor Strategic Planning & Engagement,
Director of Healthy Living
Director of Business and Employer Engagement Faculty of Health & Life Sciences
Northumbria University

PhD examiner

Katie Adolphus (February 2015). The effects of breakfast on cognitive and academic performance in children and adolescents. Leeds University, UK.

Karen Faulds (April 2014). Intervention for poor memory ability in hearing impaired children. Institute of Education, London.

Sarah Ellison (April 2013). 'Toothbrushing as a dyadic process in infancy'. Salford University, UK.

Penny Rumbold (July 2011). 'Energy intake and appetite following sport-specific exercise in adolescent girls'. Northumbria University, UK.

Karen Neary (June 2011). 'Children's and adults reasoning in property entitlement disputes'. University of Waterloo, Canada.

Teaching and Learning

2011-2015 External examiner for BPS Psychology Undergraduate Programmes. Teesside University

2012-2014 External examiner for Kingston University, MRes, and Msc Developmental Psychology Programmes

Scientific Review and Conference Organisation:

I regularly review grants for the Social Sciences and Humanities Research Centre of Canada, National Science and Engineering Research Council of Canada, the British Academy and the Economic Social Research Council. I also review for the following leading international journals: Cognition, Child Development, Cognitive Development, Journal of Experimental Child Psychology, Psychological Science, Developmental Science, Appetite, British Journal of Nutrition, Child: Care, Health and Education, Children and Society, Journal of Cognition and Culture, Journal of Educational Psychology, Journal of School Psychology, Psychonomic Bulletin and Review, Philosophy and Psychology, Frontiers in Human Neuroscience, and Nutrition Research Review.

Member of Scientific Review Committees

2015 The International Psychological Applications Conference and Trends
2014 The International Psychological Applications Conference and Trends
2013 The International Psychological Applications Conference and Trends, Madrid
2012 The International Society for the study of Behavioural Development, Alberta, Canada
2012 The International Psychological Applications Conference and Trends, Lisbon
2011 The British Psychological Society Developmental Section Conference
2010 The Northern League Consortium Conference

Academic Conference Organisation

September, 2014 British Psychological Society North East of England Branch Conference
May, 2014 Northumbria University Research Conference Programme Committee
May, 2013 Northumbria University Research Conference Programme Committee

**Curriculum Vitae -Margaret Anne Defeyter BSc PhD CPsychol FHEA FBPsS
FRSA**

Associate Pro Vice-Chancellor Strategic Planning & Engagement,
Director of Healthy Living
Director of Business and Employer Engagement Faculty of Health & Life Sciences
Northumbria University

September, 2012 BPS Developmental Psychology Section Conference Advisor
September, 2011 BPS Developmental Psychology Section Conference
January, 2010 Northern League Developmental Consortium Conference

Public Engagement and Knowledge Transfer:

September 2013 **Defeyter, M.A.**, Bell, B., & Young, J (main programme). 'Breakfast: The most important meal of the day'. British Science Festival, Newcastle upon Tyne.
September 2013 **Defeyter, M.A** (young people's programme). 'Breakfast: Why it is important to eat breakfast'. British Science Festival, Newcastle upon Tyne.
January 2013 Young, J., **Defeyter, M.A.** & George, T. 'Full of Beans' Exhibit at the Centre of Life, Newcastle upon Tyne. (5 months duration).
November 2010 **Defeyter, M.A.** & Graham, P.L. An ESRC funded Knowledge Exchange Conference entitled, 'School Breakfast Clubs: Research, Policy and Practice'. St. James' Park, Newcastle upon Tyne.

Public Engagement & Knowledge Transfer Awards:

Defeyter, M.A. et al. (January 2017). Winner of the North East of England BPS Public Engagement Award for our work on school breakfast clubs and holiday hunger.
Defeyter, M.A. (January 2017). Winner of the Children's Food Award (Research/Evaluation Category), run by Sustain.
